# HOUSING: EXPLORING THE WAY FORWARD FOR AN AGEING POPULATION

Join us for a conference with a difference

## THE RISE OF THE AGEING POPULATION

According to the Office of National Statistics, the over 75 population is projected to double in the next 30 years. By 2040, nearly one in four people in the UK (24.2%) will be aged 65 or over. The current UK housing system is ill-equipped to deal with the mounting pressures of an ageing population.

## OUR CONFERENCE

Our conference will explore housing options across the spectrum for the ageing population. You'll have the opportunity to hear speakers from organisations both large and small who are working to improve housing and care options for this key segment of the population.

## BOOKING DETAILS

Tickets are £125pp and include refreshments and lunch.

Book your place by 6 March at [bit.ly/housingconference2018](http://bit.ly/housingconference2018)

## EARLY BIRD DISCOUNT

10% off if you book by **20 January**
